PRINCIPAL

Jai Sri Gurudev,

With the divine blessings of our founder Parampoojya, Bhairavaikya, Padmabhushana Jagatguru Sri Sri Sri Dr Balagangadharnatha Mahaswamiji, my humble pranaams to Parampoojya Sri Sri Sri Dr Nirmalanandanatha Mahaswamiji, the 72nd Chief pontiff of Sri Adi Chunchunagiri Mahasmsthana Matt and the President of Sri Adi Chunchunagiri Shikshana Trust, Chancellor of Adi Chunchunagiri University, and Revered Sri Sri Dr Prakashnath Swamiji, the Managing Director of the BGS and SJB Group of Institutions and Hospitals, It gives me immense pleasure to welcome all parents as we embark on yet another promising academic year. Your unparalleled support reflects the deep commitment you have towards your child's education, and we are truly honored to have you as our partners in this noble endeavor. At BGSIRS, we believe in nurturing not only the intellect but also the character, creativity, and confidence of every student. With this vision in mind, we have thoughtfully planned a wide range of activities that support the all-round development of our learners from standard 1 through senior classes. Throughout the year, our academic calendar will feature subject-based workshops, science fairs, and project-based learning exhibitions aimed at promoting inquiry, innovation, and independent thinking. Beyond academics, we place equal importance on physical education, cultural enrichment, and life skills. Our students will participate in sports tournaments, art and music programs, drama productions, and inter-house competitions designed to enhance teamwork, discipline, and self-expression. We are also excited to offer community outreach programs, environmental initiatives, and student-led clubs, encouraging our young citizens to be socially responsible and environmentally conscious. Furthermore, to support our older students, we have planned career counseling sessions, motivational talks, leadership training programs, and academic extension activities, all of which are designed to prepare them for life beyond the classroom. For our youngest learners, engaging and age-appropriate activities such as thematic learning days, storytelling sessions, and festival celebrations will be conducted to make their early school experience joyful and meaningful. We sincerely believe that education is most effective when parents and schools work hand-in-hand. We warmly invite your continued involvement and support in these initiatives—your encouragement means the world to our students and our faculty. Thank you once again for your unstinted support and for entrusting us with the privilege of educating your children. We look forward to a year filled with growth, achievement, and meaningful collaboration.

Warm regards,
Shyamashree Chatterjee

“Teachers Orientation at BGSIRS”

Academic Year 2025-26

The dynamic pedagogy workshop led by resource person Rashmi Salhotra was an engaging experience for educators, underscoring the essence of collaborative teaching. The workshop consisted of three interactive activities that beautifully illustrated the importance of collaboration in teaching, including origami, which unfolded the significance of step-by-step instruction; a vocabulary challenge, which enriched linguistic dexterity; and a paired drawing task, which demonstrated the power of communication and mutual understanding. Rashmi Salhotra's insightful facilitation emphasized that a well-structured lesson plan is the bridge that aligns intentions with outcomes, making the learning journey impactful and purposeful, and effectively conveyed the value of collaborative teaching and the importance of a well-structured approach to achieving successful learning outcomes.

“Parents Orientation (Grade IX, X and XII) at BGSIRS”

Academic Year 2025-26

At the Parents’ Orientation Program for Grades 9, 10, and 12 at BGSIRS, renowned child psychologist Dr. Swarnalatha delivered an inspiring session emphasizing that career choices should align with a child’s interests, strengths, and personality. Using simple analogies and a powerful wrist demonstration, she highlighted the importance of empathy, open communication, and trust in guiding children toward meaningful futures. The event also featured the Principal’s Address on the CBSE curriculum and assessments, briefings on school rules, stream options, and career paths, along with live demos of the Campus Uno App. Presentations by ALLEN Career Institute, Yuvi Pep, UTSAHA, and the Chess Academy showcased the school’s focus on holistic development. The orientation strengthened the vital school-home partnership, reinforcing our shared

“Parents Orientation (Grade I- VIII and XI) at BGSIRS”

Academic Year 2025-26

The Orientation Programme for the Academic Year 2025-26 at BGS International Residential School was held on 28th May 2025 with great enthusiasm, marking a promising start to the new academic session. Welcoming parents and students into a new phase of learning, the event began with Ms. Chandrika Ghatikar’s warm address, followed by an inspiring talk by Guest of Honour Ms. Neena Gayathri on the power of student storytelling in building creativity and confidence. Principal Ms. Shyamashree Chatterjee shared the school’s academic goals and values, highlighting the focus on holistic development. The programme also featured sessions by Ulipsu on skill enrichment and a lively presentation by Utsaha, the Performing Arts team, reflecting the school’s commitment to both academic and artistic growth. With the presence of key dignitaries and engaging presentations, the event laid a strong foundation for meaningful collaboration between students, parents, and educators.

“Engaging Storytelling Workshop at BGSIRS”

Academic Year 2025-26

On 27th of May an interactive storytelling workshop was conducted by Dr. Neena Gayatri, Co-Founder and Chief Operating Officer of ACEnovation Hub, a Singapore-headquartered company that conducts the World Storytelling Championship. Dr. Neena is passionate about creating platforms to share stories that inspire, educate, entertain, and transform.

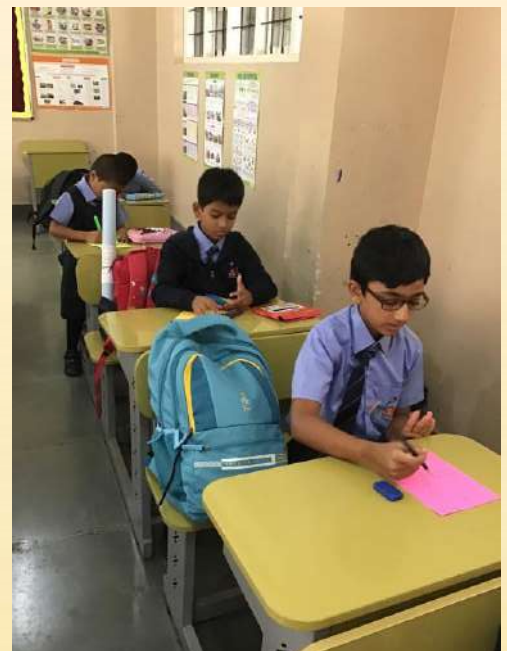

The teaching staff of BGS IRS was introduced to the science behind storytelling, the techniques used in storytelling, and how effective storytelling triggers specific neurochemicals that impact emotions and behavior.

In the second half of the session, a story was enacted by her team using minimal resources in an effective and impressive way. They also taught the staff how to prepare pipe puppets using just a few simple materials.

It was a fun and engaging session, thoroughly enjoyed by all the teachers. The workshop

What's Your Dream? Grade 4 Students Show Their Hands!

Welcome back, Grade 4! Our first day was filled with creativity and big dreams. As a special welcome activity, each student traced their hand and within its outline, penned down what they dream to be in the future. From aspiring astronauts to compassionate doctors and innovative artists, it was heartwarming to see their imaginations take flight. These handprints, each holding a unique aspiration, now decorate our classroom, serving as a colorful reminder of the bright futures within our midst. We're so excited to embark on this learning journey with such enthusiastic and imaginative young minds!

Thank
You
